October Meeting

The next meeting will be Monday, October 11 at 6:30pm at the Woodcraft store in Peoria.

October program

October's program will be a "hands on" bowl turning session. Several lathes should be available and the more experienced turners are always willing to help the inexperienced. Bring your tools and a piece of wet wood and learn some bowl turning techniques.

September program

Terry Quiram presented the information Dave Bloom provided him regarding the way he (Dave) finishes his work. It was a very informative session. The questionnaire Dave filled out was also filled out by other members so plans are to present the responses at future meetings.

Keith Adams also gave an interesting presentation on turning inside-out Christmas ornaments.

Thanks Terry, Dave and Keith.

Top-a-thon

This year's top-a-thon will be held at the Woodcraft store on Saturday, December 4 with the proceeds going to the Children's Home of Peoria.

Freedom Pens

On Thursday, November 11, Woodcraft will have lathes set up for people to come in and turn pens for the Freedom Pens Project. The store will provide the blanks.

Open house

The Woodworkers Shop will have an open house November 19 and 20 and would like volunteers to perform turning demonstration. The following volunteered at the September meeting:

Dave Kraft
Keith Adams
Bill Smith
Terry Quiram
Dave Bloom

If anyone else has volunteered, please let me know.
