August Meeting

The August meeting will be at the Woodcraft Shop in Peoria on August 8, at 6:30. We will feature a hands on session on bowl turning, concentrating on getting the inside right. Members looking for help are encouraged to bring their bowl gouges and at least one roughed out bowl to complete. The more experienced members will assist with techniques to cut cleanly inside bowls.

Next President's Challenge

The next P.C. will be a gavel. This is for the September meeting in Bloomington.
