- 78 **1. Collaboration** – In collaboration with at least one other member of CIW, create a project where all
- 79 members of the effort create some part of the overall finished piece.
- 80 **2. Metal added** – The finished piece must have some form of metal integrated into the piece
- 81 **3. Tiny turning** – The finished piece must be less than 2"x2"x2".
- 82 **4. Goblet** – Turn a goblet.
- 83 **5. Demo'd** – Complete a project that was demonstrated at a club meeting during 2022.
- 84 **6. Segmented** – The project should be made of at least twelve separate pieces of wood. The the use of pre-
- 85 segmented blanks will not count, even if the blank was purchased. The turner must have been the one to join
- 86 the pieces in whatever manner is chosen. Encasing wood in resin does not count as "segmenting".
- 87 **7. Natural edge** – turn something that has a natural edge element.
- 88 **8. Lidded bowl** – Turn a lidded bowl
- 89 **9. Flower holder** – Turn a vase. (not a weed pot)
- 90 **10. Painted** – The final product should be painted in some form or fashion
- 91 **11. Hollowed** – The final product should have some portion that is hollow. It could be done using a hollowing jig,
- 92 by hollowing separate pieces and joining them together, or whatever method you want.
